

Crazy About Me

Adam's Road

How are You so crazy about me?
You gave Your life to set me free
By Your grace that I had never known
I am saved, my life is Yours alone (Eph. 2:8-9)

I was just thinking to myself, am I saved?
Where would I go if I were to die today?
Could You help me know the truth?
Lord, I'm asking You

You said by Your grace I have been saved
Not by my own doing, but by faith (Eph. 2:8-9)
What a gift of love You bring
Giving life to everything

How are You so crazy about me?
You gave Your life to set me free
By Your grace that I had never known
I am saved, my life is Yours alone

We've all fallen short of the glory of God (Rom. 3:23)
But You cover all of us with holy blood
We are nothing without You
We have everything in You

How are You so crazy about me?
You gave Your life to set me free
By Your grace that I had never known
I am saved, my life is Yours alone

You're in pursuit of me, You accept me how I am
You have saved me, now I'll do all that I can, all I can

I was just thinking to myself, I stand amazed
At the change I feel inside, refining grace

How are You so crazy about me?
You gave Your life to set me free
By Your grace that I had never known
I am saved, my life is Yours alone

How are You so crazy about me?
By Your light alone I see
Serving You is all I can desire
When my heart's aglow with holy fire

How are You so crazy about me?
You gave Your life to set me free
By Your grace that I had never known
I am saved, my life is Yours alone
