Fulfilling All Righteousness

Adam's Road

Capo 5

Intro
E A2
E A2

Verse
```
        E
For by works of the law
                        A2
No human being will be justified
        E
Since through the law comes
            A2
Knowledge of sin
      C#m
So the righteousness of God
        G#m                    A2
Has been shown, apart from the law
                  B
Our debt has been nailed to the cross
```

Pre-Chorus

     C#m
Not to nullify God's grace
     E   A2
For if righteousness were found through the law
           B
Then Christ died for naught

Chorus

        E   A
When we hear the word of truth
   EoverG#   AoverC#
The Gospel of Christ
     C#m   G#m
And believe in His name
     A2   B
We are then justified
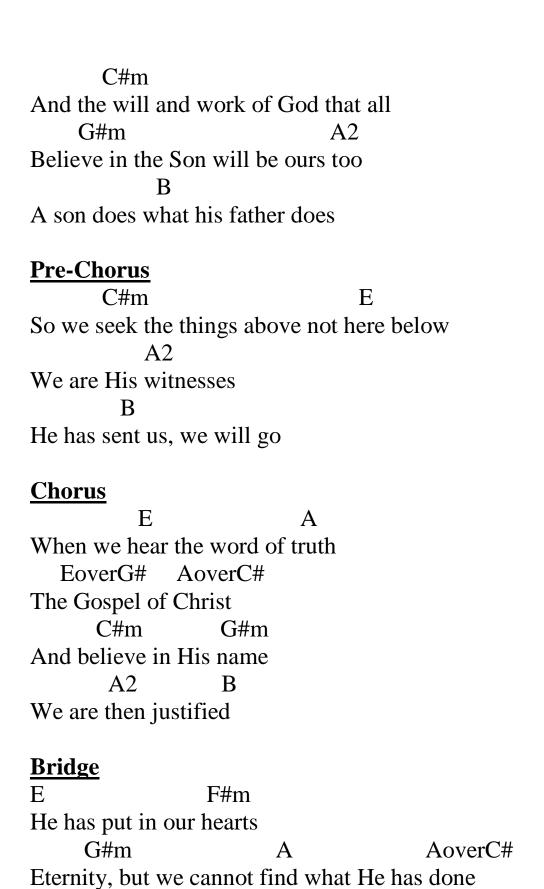

Instrumental

E A2
E A2

Verse

      E
Let's present ourselves as slaves of God
        A2
We're being sanctified
E   A2
Created in Christ Jesus for good works

```
        C#m
And the will and work of God that all
     G#m                        A2
Believe in the Son will be ours too
              B
A son does what his father does
```

Pre-Chorus

```
         C#m                        E
So we seek the things above not here below
            A2
We are His witnesses
          B
He has sent us, we will go
```

Chorus

```
            E                  A
When we hear the word of truth
     EoverG#    AoverC#
The Gospel of Christ
         C#m          G#m
And believe in His name
          A2           B
We are then justified
```

Bridge

```
E                     F#m
He has put in our hearts
     G#m                    A               AoverC#
Eternity, but we cannot find what He has done
```

```
        EoverG#      DoverF#           B
From the start to the end, He is sovereign
```

<u>Chorus</u>

```
          E                    A
When we hear the word of truth
    EoverG#     AoverC#
The Gospel of Christ
        C#m          G#m
And believe in His name
        A2           B
We are then justified
                E      A
And then we're sanctified
          EoverG#     AoverC#
Sealed by the Spirit inside
          C#m         G#m
And we await our adoption
        A2            B
When we're glorified
